Description:
This database is a searchable, digitized version of the indices of civil registrations in England and Wales, reported quarterly to the General Register Office (GRO) in London. This index spans the years between 1837 and 1983. Approximately 50% of the names between 1837 and 1900 have been transcribed thus far. You need the information found in an original index to request a copy of a birth certificate for the individual referenced.
