Thank you for downloading a copy of the Grant of Letters of Administration from our records

We are unable to provide you with a copy of a will for the deceased

The reason for this is that the Grant that issued in this case is a Grant of Letters of Administration. This is a legal document issued by a Probate Registry when a person has died without making a valid will (called intestate) and is issued to an administrator of the estate. This is usually the lawful spouse if any, or nearest blood relative.
