Whilst FreeBMD makes every effort to ensure accurate transcription, errors exist in both the original index and the transcription. You are advised to verify the reference given from a copy of the index before ordering a certificate. If an entry has the symbol next to it you can view the scan of the GRO index page from which the transcription was made in order to verify the reference. Click on the symbol to view the scan.

If you are SURE that our transcription(s) below differs from the GRO index, you can submit a correction request by clicking on the Info button to the right of the entry in question.
