Book

Revised: 24 Feb 2021 19:00

Classification: Public

Status: Draft

Summary:

Gertrude Garnett trained as a confectioner and this was her recipe book which appears to have started when she trained and was added to throughout her life. Most of the early recipes make very large quantities, and have no procedure. For some of the recipes I have found a modern version which provides the baking procedure.

The recipe book also includes recipes for medicinal remedies and other things such as furniture polish.
